BOARDING

INIT _____ Indian Head Animal Hospital is to use all reasonable precautions against injury, escape, or death of a boarder. The clinic and staff will not be held liable for any problems that develop provided reasonable care and precautions are followed. I understand any problem that develops with my pet(s) while I'm absent will be treated as deemed best by the staff veterinarians and I assume full responsibility for any cost.

INIT _____ For your pet's protection, all vaccines must be current. Bordetella, a specific kennel cough vaccine, is required and given within the last 12 months. Your pet must be free of all internal and external parasites. If not, treatment will be done at your expense.
